Mail Stop AMENDMENT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants' Representative, Gregory A. Sebald, conducted a telephone interview with Examiner Shuwang Liu on August 3, 2005. Claim 2 was discussed and the Examiner suggested changing "Method" to "A method" as well as making the same change in the other dependent claims. In addition, it was suggested that claim 15 should recite "A device for demodulating..." and that claim 18, in line 1, should be changed to recite "any one of the claims 16 and 17". In claim 19, lines 5 and 6, "the weighting coefficients being derived from...." was changed to "wherein, weighting coefficients are derived from".

With these changes, the Examiner indicated that the application would be in condition for allowance. Authorization to make the changes by Examiner's Amendment was given by Applicants' Representative. Applicants' Representative thanks the Examiner for the courtesy and cooperation extended during the interview.

If the Examiner feels that a telephone interview may be helpful in this matter, please contact Applicant's representative at 612.336.4728.
